warrior cats games

► i decided that, instead of making a book for each separate idea, i would combine them into one. this book includes things like: name that cat, guess that cat, name generators, and more!
//**rules:**
» respect other players
» don't cheat on the *name that cat* segments
» don't advertise your books on here
» do not complain if something is spoiled for you. you have been warned that there will be possible spoilers.

name generator ► 1

name generator.
o n e.

» pick two random numbers between 1 and 10, and comment the result. let me know if you want am appearance for the cat.

> *prefix*
1 • petal
2 • basil
3 • lilac

3 • moon
4 • dapple
5 • thorn
6 • berry
7 • tail
8 • fire
9 • tooth
10 • path

► i got *lilacdapple*! they will be a dilute tortoiseshell-and-white she-cat with lively green eyes.

guess that cat ► 1

guess that cat.
o n e.
» comment below your *honest* answer. don't cheat!

► with desperation to prove my worth, i
set out to challenge the terror lurking
in the shadows and found myself
crushed in the jaws of defeat.
//who am i?

guess that cat ► 2

guess that cat.
t w o.

» the answer to the previous segment is: *swiftpaw*

► only the blood of the sinful could
silence their tortured cries and appease
their restless souls.

//who am i?

name that cat ► 1

name that cat.
o n e.
» do not use a name somebody else used, and try to avoid canon names.

► *name*
lilacpaw.

► *gender*
male. – biologically female

► *appearance*
a long-furred dilute tortoiseshell-point with brilliant blue eyes.

► *personality*
snarky, sly, sassy and jam-packed with the attitude of a hormonal teen. he is quite flirtatious and immature, almost never putting on a serious front.

guess that cat ► 3

guess that cat.
t h r e e.
» the answer to the previous segment is:
mapleshade

► in my final breathing moments, i wrote part of the clans' history, leaving my mark in the petals of the blazing star.

name generator ► 2

name generator.
t h r e e.
» pick two numbers between 1-10 and let me know if you want a design.

> prefix
